About me

🕶️ I am a web developer with more than 4 years of experience, developing both in backend and frontend. I like to constantly read and study new technologies.

👣 I have leadership skills for small multidisciplinary teams.

🧠 Proficiency in languages such as Spanish natively and English for learning.

🦉 All technologies and knowledge were acquired in a self-taught way.

Experience

JULY 2021-PRESENT

Freemance, Remote- Frontend Lead

- Directory of freelancers, to obtain greater visibility (lack of the slyk.io platform).
- We work with agile methodologies (Scrum).
- Development in a team of 7 people.

JANUARY 2021-MARCH 2021

Boxitas, Remote- QA

- I was in charge of testing the mobile application.
- I was active reporting various bugs.

Education

SEPTEMBER 2018-JANUARY 2021

IPU Julio A. Mella, Manzanillo- Not graduated

I left high school to dedicate myself to self-taught learning completely, in this I obtained excellent grades and I was the winner of the Computer Science contest in 2020, Mathematics in 2019, English in 2019 and 2020.

Skills

I master technologies like ReactJS, NextJS, GraphQL, Apollo, NodeJS, MongoDB.

I use programming languages like Javascript 🍷 and Typescript 💙.
